Insurance & Excess

Camperman Australia provides you with an all-inclusive rate with fully comprehensive insurance included. All bookings have no credit card fees, unlimited kilometres, free toll roads and 24 hour roadside assistance. All campers have a reduced excess of \$500 for drivers 19 years old and over.

Optional Extras

GPS, Heater Hire, Tyre & Windscreen Cover, Babyseat, Booster, Outdoor Chair, Outdoor Table

Additional Information

Airbags driver and passenger.

Personal Kit (included in vehicle) – towels, sheets, sleeping bags, tea towels, linen.

The campervan power will last up to 24 hours when fully charged. Campervans are recommended to stay at powered sites every evening unless the campervan is driven continuously for 7 hours per day, which will charge the battery enough to be with sufficient power for 24 hours without 240V power. To operate 240V power sockets, the van must be connected to 240V power supply.

Please note: These pictures and specifications are indicative of the vehicle that will be supplied under your booking. Actual vehicles may vary according to the year of manufacture and availability. All measurements are approximate, not guaranteed and may change at any time without any notice.

Features

Air Conditioning

Driver's cab air-conditioning operates only when the engine is running.
